

Tammy Mandernach Martielli, Ph.D.
Curriculum Vita

Specialty:

Clinical Neuropsychology
Pediatric Neuropsychology

Education:

1997	Washington University in St. Louis St. Louis, Missouri	B.A. Psychology and Anthropology
2005	Saint Louis University St. Louis, Missouri	M.S. (Research) Clinical Psychology
2007	Saint Louis University St. Louis University	Ph.D. Clinical Psychology (Neuropsychology Track)
2006-2007	University of California – San Diego San Diego, California	Internship in Clinical Neuropsychology
2007-2009	Washington University in St. Louis St. Louis, Missouri	Fellowship in Clinical Neuropsychology

Employment:

Present	Independent Practice	Neuropsychologist
---------	----------------------	-------------------

Clinical Experience:

2006-2007	UCSD Child and Adolescent Psychiatry Service San Diego, California	Neuropsychology Intern
	UCSD/San Diego VAMC San Diego, California	
2005	Autism Spectrum Disorders Clinic St. Louis Children's Hospital	Neuropsychology Extern
2004-2006	Pediatric Obesity and Eating Disorders Clinic Saint Louis University	Psychological Trainee
2003-2006	SSM Rehab/St. Mary's Health Center	Neuropsychology Extern
2003-2004	St. Louis Public Schools	Psychological Examiner
2001-2002	St. Louis Children's Hospital	Neuropsychology Testing Assistant

Research Experience:

2002-2007	Neuropsychology Research Laboratory Saint Louis University	Research Assistant
-----------	---	--------------------

2005-2006	Pediatric Psychology Partnership for Abuse Prevention Cardinal Glennon Children's Hospital	Research Assistant
2002-2003	Cognitive Psychology Research Laboratory Saint Louis University	Research Assistant
1996-2000	Neuropsychology Research Laboratory Washington University	Research Coordinator
1997-1998	Department of Psychiatry Washington University School of Medicine	Research Assistant
1996-1998	Department of Psychology St. Louis Children's Hospital	Research Assistant

Presented Research:

- Martielli, T.M.** and Blackburn, L.B. (2007, December) *Is Boston Naming Test performance an effective sign of lateralized dysfunction in adolescents with epilepsy?* Poster presented at the 61st Annual Meeting of the American Epilepsy Society, Philadelphia, PA. 2007.
- Martielli, T.M.**, Blackburn, L.B., and Gfeller, J.D. (2007, February) *Boston Naming Test Norms for 15 to 18 year old adolescents.* Poster presented at the 35th annual meeting of the International Neuropsychological Society, Portland, OR.
- Mandernach, T.A.**, Gfeller, J.D., & Cobia, D.J. (2004, November). *Normative Data for Motor Tests in 15 to 18 Year Old Adolescents.* Poster presented at the 24th annual meeting of the National Academy of Neuropsychology, Seattle, WA.
- Mandernach, T.A.**, Schwarz, L.R., & Gfeller, J.D. (2004, November). *Contribution of Motor Tests in Detecting Feigned Neurobehavioral Impairment.* Poster presented at the 24th annual meeting of the National Academy of Neuropsychology, Seattle, WA.
- Storandt, M., Powlishta, K.K., **Mandernach, T.A.**, Hogan, E., Grant, E.A., & Morris, J.C. (2004, July). *Depression in the Early Stages of Alzheimer's Disease Does Not Affect Psychometric Test Performance.* Poster presented at the Alzheimer's Association 9th annual International Conference on Alzheimer's Disease and Related Disorders, Philadelphia, PA.
- Mandernach, T.** (2002, January). *Assessment of Motor Functioning Associated with Cerebral Dominance and Hand Preference.* Topic presented at St. Louis Children's Hospital, Neuropsychology Laboratory.
- White, D., Christ, S., **Mandernach, T.**, Keys, B., & Nortz, M. (2000, February). *Changes in Inhibitory Control across the Life Span.* Poster presented at the 28th annual meeting of the International Neuropsychological Society, Denver, CO.
